

+ BE YOURSELF – BECAUSE THAT’S HOW WE WANT YOU TO +

At Anexia, we take responsibility for all the **challenges of the digital world** – each and every day. That’s because we see ourselves as the **“Digital Transformation Engine”**. And how do we succeed in this mission? It’s simple. We are a family of facilitators with innovative ideas. We’re capable of, want to, and allowed to make things happen. That’s what makes us so unique! Do you want to be a part of our digital revolution and make history with us? **#joinourrevolution**

QA ENGINEER (M/W/D)

Vienna, Graz, Klagenfurt, Karlsruhe, Remote | part time

Do you have an eye for detail and enjoy putting systems through their paces? For you, quality is not just a buzzword but a standard you live by through well-designed tests and smart methods? Then bring your expertise to the table and help shape the future of our virtualization stack at Anexia!

#PROFILE

- Integration into an agile software development team
- End-to-end testing of our virtualization stack
- Expansion of testing methods and application of test and QA tools
- Creation and maintenance of test plans
- Support in further developing monitoring processes

#WANTED

- Completed bachelor's degree in Computer Science, IT, Software Engineering, or a comparable qualification
- At least three years of professional experience in testing multi-component systems
- Experience with test and monitoring tools
- Software development and virtualization experience preferred but not mandatory
- Strong analytical and solution-oriented mindset combined with an independent working style
- Excellent German and English skills

#REWARD

Anexia grew up as a family, and with our growth strategy, we intend to keep it that way. We like to take responsibility, respect one another, and we know that we can achieve whatever we put our minds to. We look after Anexia, and Anexia looks after us. Enthusiasm, experience, and competence count, so you can expect a fair salary and numerous benefits.

salary range

Our benefits

We are more than just a workplace. Therefore, we offer our employees many benefits (which partly depend on your positioning and location): good transport connections and flexible working hours. Period. Not to mention further training, a mentoring program, free parking, a mobile phone and notebook, snacks and drinks, company cars, employee events, a fun corner, ...
