

+ BE YOURSELF – BECAUSE THAT’S HOW WE WANT YOU TO +

At Anexia, we take responsibility for all the **challenges of the digital world** – each and every day. That’s because we see ourselves as the **“Digital Transformation Engine”**. And how do we succeed in this mission? It’s simple. We are a family of facilitators with innovative ideas. We’re capable of, want to, and allowed to make things happen. That’s what makes us so unique! Do you want to be a part of our digital revolution and make history with us? **#joinourrevolution**

PROJECT MANAGER - SOFTWARE DEVELOPMENT (M/W/D)

Klagenfurt, Vienna, Graz, Karlsruhe, Remote | full time

You are a communicative organizational talent, motivated, interested in new technologies and have a strong awareness of quality? Do you impress with your independent and reliable way of working and see no difficulty in handling several parallel tasks? Then this is just what you’re looking for!

#PROFILE

As Project Manager, you will coordinate and manage the individual implementation of software projects for our customers. Along with your colleagues, you will accompany the entire project life cycle from requirements analysis to planning and conception through to successful completion.

You will keep an eye on the project goal, the timeline and the budget, while coordinating with colleagues and advising our customers to help them achieve the best possible result. Your responsibilities will include tasks such as reporting and resource planning. You and your team will look after our customers from a wide range of industries in exciting and varied projects.

#WANTED

- Completed commercial or technical training or several years of project management experience in software development
- Experience in coordinating software projects (especially web and mobile app development) and developing agile software (Scrum)
- You are well-versed with terms such as PHP, .NET, Python, Angular and MySQL
- You are familiar with mobile operating systems such as Android and iOS and always keep up to date on new trends in this area
- You are familiar with current apps and an enthusiastic user of new technologies, tools and gadgets (IoT, social media, smartwatches, digital language assistants, etc.)
- You can impress and inspire new and existing customers with solutions offered by Anexia
- Team player, proactive communication and professional appearance
- Very good written and spoken German and English language skills

#REWARD

Anexia grew up as a family, and with our growth strategy, we intend to keep it that way. We like to take responsibility, respect one another, and we know that we can achieve whatever we put our minds to. We look after Anexia, and Anexia looks after us. Enthusiasm, experience, and competence count, so you can expect a fair salary and numerous benefits.

salary range

min. 60.800€

Our benefits

We are more than just a workplace. Therefore, we offer our employees many benefits (which partly depend on your position and location): good transport connections and flexible working hours. Period. Not to mention further training, a mentoring program, free parking, a mobile phone and notebook, snacks and drinks, company cars, employee events, a fun corner, ...
