

+ BE YOURSELF – BECAUSE THAT’S HOW WE WANT YOU TO +

At Anexia, we take responsibility for all the **challenges of the digital world** – each and every day. That’s because we see ourselves as the **“Digital Transformation Engine”**. And how do we succeed in this mission? It’s simple. We are a family of facilitators with innovative ideas. We’re capable of, want to, and allowed to make things happen. That’s what makes us so unique! Do you want to be a part of our digital revolution and make history with us? **#joinourrevolution**

SENIOR SOFTWARE DEVELOPMENT ENGINEER - FINTECH

Vienna, Klagenfurt, Graz, Karlsruhe, Remote | full time

You are creative, a team player and enjoy finding solutions and complex tasks. Then this is the right position for you at Anexia.

#PROFILE

With our cloud management platform “Anexia Engine”, we offer our customers a great variety of self-managed **cloud services** ranging from basic services such as domains and **DNS** all the way through virtual servers and big data solutions. The ecosystem around the “Anexia Engine” also includes supporting services and tools. As Senior Software Development Engineer - FinTech, you will play a leading role in the **architecture, technical design** and implementation of new features for **FinTech-related services**. Your tasks will include conceptual design in coordination with the Product Owner and other teams, maintenance and upgrade of the DWH solution, problem analysis, conducting code reviews and monitoring our FinTech services.

#WANTED

- Completed technical education (HTL, university, FH) or equivalent training with relevant professional experience
- 3+ years of proven FinTech experience
- 3+ years of experience in agile application development, engineering and architecture
- 3+ years of experience with relational and NoSQL databases and data modeling
- 2+ years of profound experience with PHP (OOP)
- Experience with current PHP development frameworks such as Laravel, Phalcon, etc.
- Expertise in Data Science, Data Warehouses, BI and ETL technologies as a plus
- Logical, innovative and process-oriented thinking
- Team player with professional appearance and hands-on-mentality
- Excellent command of German and English (spoken and written)

#REWARD

Anexia grew up as a family, and with our growth strategy, we intend to keep it that way. We like to take responsibility, respect one another, and we know that we can achieve whatever we put our minds to. We look after Anexia, and Anexia looks after us. Enthusiasm, experience, and competence count, so you can expect a fair salary and numerous benefits.

salary range

Our benefits

We are more than just a workplace. Therefore, we offer our employees many benefits (which partly depend on your position and location): good transport connections and flexible working hours. Period. Not to mention further training, a mentoring program, free parking, a mobile phone and notebook, snacks and drinks, company cars, employee events, a fun corner, ...
