

+ BE YOURSELF – BECAUSE THAT’S HOW WE WANT YOU TO +

At Anexia, we take responsibility for all the **challenges of the digital world** – each and every day. That’s because we see ourselves as the **“Digital Transformation Engine”**. And how do we succeed in this mission? It’s simple. We are a family of facilitators with innovative ideas. We’re capable of, want to, and allowed to make things happen. That’s what makes us so unique! Do you want to be a part of our digital revolution and make history with us? **#joinourrevolution**

SENIOR BRAND DESIGNER (M/W/D)

Wien, Graz, Klagenfurt | full time

As a Senior Brand Designer (m/f/d) in our Brand Communication Department, you will actively develop the Anexia brand and be an integral part of the creative team that combines brand strategy, design, words and media expertise. Do you know what constitutes a contemporary CI and CD in the digital world and at the same time appreciate the feel of high-quality printed materials? Then you've come to the right place. We are growing, as is the scope of our future brand world, in which you can play a creative role.

#PROFILE

- Creative ownership: You will accompany projects from the first draft to the final export.
- Brand evolution: You will further develop the corporate design and ensure consistency across different digital and analogue touchpoints.
- Information strategy: You will make creative decisions and work closely with other disciplines to ensure that design always has a function.
- Creative balance: You appreciate the alternation between intensive design sprints and manageable routine design work.
- Trend scouting: You have an eye for what might be around the corner and a feel for communication codes in today's world.
- Tools Love: You are at the forefront when it comes to modernising your workflow so that you have more time for essential design steps.
- Design Thinking: You share our approach that interaction is an

attitude for courageously tackling complex issues and finding solutions.

#WANTED

- Several years of experience as a lead designer
- Love for Figma, Adobe and Frontify
- Passion for the blank artboard that marks the beginning of every project
- Enjoyment in creating touchpoints that can be seen and felt
- Interest in technical implementation, from programming to print coordination
- Talent for coordinating parallel design tasks and team tasks
- Good time management and accurate and precise working methods
- Enjoyment of details that convey that certain something
- Team spirit, expertise, quality standards
- Very good knowledge of German and English

#REWARD

Anexia grew up as a family, and with our growth strategy, we intend to keep it that way. We like to take responsibility, respect one another, and we know that we can achieve whatever we put our minds to. We look after Anexia, and Anexia looks after us. Enthusiasm, experience, and competence count, so you can expect a fair salary and numerous benefits.

salary range

Our benefits

We are more than just a workplace. Therefore, we offer our employees many benefits (which partly depend on your position and location): good transport connections and flexible working hours. Period. Not to mention further training, a mentoring program, free parking, a mobile phone and notebook, snacks and drinks, company cars, employee events, a fun corner, ...
