

At Anexia, we take responsibility for all the **challenges of the digital world** – each and every day. That's because we see ourselves as the **"Digital Transformation Engine"**. And how do we succeed in this mission? It's simple. We are a family of facilitators with innovative ideas. We're capable of, want to, and allowed to make things happen. That's what makes us so unique! Do you want to be a part of our digital revolution and make history with us? **#joinourrevolution**

LEHRE MECHATRONIK - HAUPTMODUL IT-, DIGITALSYSTEM- UND NETZWERKTECHNIK (M/W/D)

Vienna | full time

Are you motivated to always strive for the best solution and to be at the forefront of technology? Do you excel in accuracy and are known for your reliability? Are you not afraid to venture into new territory and learn from your mistakes? Then this apprenticeship at Anexia is perfect for you!

#PROFILE

- Training in the fields of mechanics and electronics with a focus on information technology
- Support in fault analysis, troubleshooting, and administration of our data centers and associated operating facilities (such as power and cooling systems, rack cabling, etc.)
- Participation in the commissioning, maintenance, and upkeep of our various operating facilities in the areas of IT, digital systems, and network technology
- Maintenance and assistance with documentation, as well as collaboration with other departments

#WANTED

- Completed formal education
- Interest in modern technology
- Manual skills and a sense of responsibility
- Motivated team player, high level of initiative, and eagerness to learn
- Possession of a Class B driver's license or willingness to complete driver's license training at the beginning of the apprenticeship (costs will be covered)
- Excellent German and good English language skills

#REWARD

Anexia grew up as a family, and with our growth strategy, we intend to keep it that way. We like to take responsibility, respect one another, and we know that we can achieve whatever we put our minds to. We look after Anexia, and Anexia looks after us. Enthusiasm, experience, and competence count, so you can expect a fair salary and numerous benefits.

salary range

€929 in the 1st year of apprenticeship

Our benefits

We are more than just a workplace. Therefore, we offer our employees many benefits (which partly depend on your position and location): good transport connections and flexible working hours. Period. Not to mention further training, a mentoring program, free parking, a mobile phone and notebook, snacks and drinks, company cars, employee events, a fun corner, ...
