SOLUTION ARCHITECT / PRESALES ENGINEER (M/W/D)

—

Vienna, Klagenfurt, Graz, Karlsruhe, Remote | full time

You already bring experience in the architecture of cloud solutions, are highly analytical, communicative and creative, and work both independently and as part of a team. If you're passionate about IT architecture, you'll be happy with our "cloud-based building blocks" and find a solution to any challenge.

#PROFILE
—

As Presales Engineer/Solution Architect, you will support our sales team in **conceptualizing** and developing the ideal and **customized solution** for our customers. This includes developing the right **mix of on-premises infrastructure and cloud solutions,** as well as their dimensioning. Based on customer feedback, you work on the refinement and adaptation. You are able to visualize and describe your concept and have no hesitation in presenting your ideas and solutions to our customers.

#WANTED

- Completed technical education (TU, FH, HTL) and a high affinity for IT
- Several years of experience with cloud-based solutions
- High customer focus with a passion for solving complex tasks
- Hands-on mentality in implementation as well as independent way of working and willingness to take responsibility
- Very good German and good English skills, both written and spoken

#REWARD

Anexia grew up as a family, and with our growth strategy, we intend to keep it that way. We like to take responsibility, respect one another, and we know that we can achieve whatever we put our minds to. We look after Anexia, and Anexia looks after us. Enthusiasm, experience, and competence count, so you can expect a fair salary and numerous benefits.
