+ BE YOURSELF – BECAUSE THAT'S HOW WE WANT YOU TO +

At Anexia, we take responsibility for all the **challenges of the digital world** – each and every day. That's because we see ourselves as the **"Digital Transformation Engine".** And how do we succeed in this mission? It's simple. We are a family of facilitators with innovative ideas. We're capable of, want to, and allowed to make things happen. That's what makes us so unique! Do you want to be a part of our digital revolution and make history with us? **#joinourrevolution**

FRONTEND ENGINEER (TYPESCRIPT / NEXT.JS) (M/W/D)

—

Klagenfurt, Vienna, Graz, Karlsruhe, Remote | full time

Do you enjoy working with modern web technologies, think holistically from front end to operations, and enjoy developing clean, maintainable code? Then you've come to the right place.

#PROFILE
—

- Development and further improvement of modern web applications with TypeScript
- Working with Next.js (16+), React (19+) and React Server Components
- Setting up and maintaining UI and feature modules, testability and performance
- Clean architecture decisions (e.g., routing, rendering strategies, state, data fetching, streaming)
- Maintenance of linting, formatting, and build tooling, as well as helping to shape code standards (e.g., rulesets, CI checks, pull request guidelines)
- Supporting the deployment and operation of web services, including basic maintenance and monitoring tasks
- Targeted use of AI-supported/agentic coding approaches to create readable, consistent, and maintainable code

#WANTED

- Several years of experience with TypeScript
- In-depth experience with Next.js 16+, React 19+, and React Server Components
- Confident use of ESLint, Prettier, Biome, and/or Vite
- Experience in DevOps (Docker/Podman deployments, container registry workflows, basic understanding of server administration)
- Knowledge of reverse proxies: Nginx (or Traefik/Caddy/HAProxy), including typical production setups
- High quality standards and a structured and clean way of working
- Experience with CI/CD, observability, or performance optimization is an advantage
- Good written and spoken German and English skills

#REWARD

Anexia grew up as a family, and with our growth strategy, we intend to keep it that way. We like to take responsibility, respect one another, and we know that we can achieve whatever we put our minds to. We look after Anexia, and Anexia looks after us. Enthusiasm, experience, and competence count, so you can expect a fair salary and numerous benefits.

salary range

min. 55.356€

Our benefits

We are more than just a workplace. Therefore, we offer our employees many benefits (which partly depend on your

position and location): good transport connections and flexible working hours. Period. Not to mention further training, a mentoring program, free parking, a mobile phone and notebook, snacks and drinks, company cars, employee events, a fun corner, ...
