

+ BE YOURSELF – BECAUSE THAT’S HOW WE WANT YOU TO +

At Anexia, we take responsibility for all the **challenges of the digital world** – each and every day. That’s because we see ourselves as the **“Digital Transformation Engine”**. And how do we succeed in this mission? It’s simple. We are a family of facilitators with innovative ideas. We’re capable of, want to, and allowed to make things happen. That’s what makes us so unique! Do you want to be a part of our digital revolution and make history with us? **#joinourrevolution**

MICROSOFT SYSTEM ENGINEER (M/W/D)

Klagenfurt, Vienna, Graz, Remote | full time

You are passionate and excited about innovative technology, are dedicated and like to work independently. Your way of working is **service-oriented**, and you have a high quality awareness. As a team player, you will enjoy working in our motivated, **agile team**.

#PROFILE

As a Microsoft System Engineer, you support our customers via e-mail, telephone, ticketing system and remote maintenance. You are responsible for ensuring the operational stability and quality of all **Windows client and server systems** together with the services and applications running on them. Your responsibilities include on-site work at the clients' site as well as the **deployment of new systems**. You contribute to the common success with your input and ideas, which are especially important while handling challenging and diverse tasks.

#WANTED

- Completed education focused on IT or corresponding professional experience / practice
- Enthusiasm for Microsoft client and server operating systems
- Experience with various network services and protocols (DHCP, DNS, CIFS, TCP/IP, firewalling, etc.)
- Troubleshooting, documentation and analysis skills
- Systematic and analytical thinking as well as solution-oriented, independent working style
- Distinct customer and service orientation and team ability
- Excellent German and good English skills, both written and spoken

#REWARD

Anexia grew up as a family, and with our growth strategy, we intend to keep it that way. We like to take responsibility, respect one another, and we know that we can achieve whatever we put our minds to. We look after Anexia, and Anexia looks after us. Enthusiasm, experience, and competence count, so you can expect a fair salary and numerous benefits.

salary range

Our benefits

We are more than just a workplace. Therefore, we offer our employees many benefits (which partly depend on your position and location): good transport connections and flexible working hours. Period. Not to mention further training, a mentoring program, free parking, a mobile phone and notebook, snacks and drinks, company cars, employee events, a fun corner, ...
