

+ BE YOURSELF – BECAUSE THAT’S HOW WE WANT YOU TO +

At Anexia, we take responsibility for all the **challenges of the digital world** – each and every day. That’s because we see ourselves as the **“Digital Transformation Engine”**. And how do we succeed in this mission? It’s simple. We are a family of facilitators with innovative ideas. We’re capable of, want to, and allowed to make things happen. That’s what makes us so unique! Do you want to be a part of our digital revolution and make history with us? **#joinourrevolution**

## PROJEKTMANAGER - VIRTUALIZATION STACK (M/W/D)

Wien, Graz, Klagenfurt, Karlsruhe, Remote | full time

In your role as a Project Manager, you are a central point of coordination for the successful delivery of agile software and infrastructure projects. You support Team Leads in day-to-day operations, coordinate cross-functional initiatives, and ensure smooth processes through clear structures, transparent communication, and continuous improvement.

### #PROFILE

- Support Team Leads in the planning and execution of larger projects as well as in daily operational activities within the areas of **Virtualization Stack Development** and **Automation**
- Independently create, maintain, and manage cross-functional project plans, including milestones and dependencies
- Organize, facilitate, and follow up on regular project and status meetings
- Coordinate and support projects across multiple teams and functional areas
- Proactively communicate with relevant stakeholders and provide transparent status and progress updates in **Jira**
- Identify process gaps and develop as well as contribute concrete

## #WANTED

---

- Completed Bachelor's degree in **Business Informatics, Computer Science**, or a comparable field
- Fundamental knowledge of software development and/or IT (e.g. experience as a software developer or IT system administrator, including through private or personal projects)
- At least three years of professional experience as a **Project Manager** or **Scrum Master** in an agile software development environment
- Excellent communication skills and strong stakeholder management capabilities
- Analytical, solution-oriented mindset with a high degree of independence
- Experience working with **Jira**
- Excellent German and English language skills (minimum **CEFR C1**)

---

## #REWARD

---

Anexia grew up as a family, and with our growth strategy, we intend to keep it that way. We like to take responsibility, respect one another, and we know that we can achieve whatever we put our minds to. We look after Anexia, and Anexia looks after us. Enthusiasm, experience, and competence count, so you can expect a fair salary and numerous benefits.

### salary range

min. 50.000€

## Our benefits

We are more than just a workplace. Therefore, we offer our employees many benefits (which partly depend on your position and location): good transport connections and flexible working hours. Period. Not to mention further training, a mentoring program, free parking, a mobile phone and notebook, snacks and drinks, company cars, employee events, a fun corner, ...
