+ BE YOURSELF – BECAUSE THAT'S HOW WE WANT YOU TO +

At Anexia, we take responsibility for all the **challenges of the digital world** – each and every day. That's because we see ourselves as the **"Digital Transformation Engine".** And how do we succeed in this mission? It's simple. We are a family of facilitators with innovative ideas. We're capable of, want to, and allowed to make things happen. That's what makes us so unique! Do you want to be a part of our digital revolution and make history with us? **#joinourrevolution**

KUBERNETES SOFTWARE DEVELOPER (M/W/D)

—

Wien, Graz, Klagenfurt, Karlsruhe, Remote | full time

Are you passionate about developing high-quality services using modern and agile methods? Do you see Kubernetes as a platform for infrastructure automation? If so, you're the perfect fit for us!

#PROFILE
—

- Development of a Kubernetes-as-a-service platform for Anexia customers, including provisioning, management, and operation of Kubernetes clusters
- Use of CI/CD pipelines (primarily Gitlab) in a GitOps workflow based on Flux
- Further development of the managed Kubernetes service
- Writing Kubernetes controllers (e.g., to automate customer cluster control planes)
- Ensuring smooth operation

#WANTED

- Completed education or relevant work experience in a similar role
- Experience with Go and Kubernetes
- Knowledge of Ansible and Terraform is a plus
- Linux expertise and an understanding of how networks, server applications, and distributed systems work together
- Excellent German and English skills

#REWARD

Anexia grew up as a family, and with our growth strategy, we intend to keep it that way. We like to take responsibility, respect one another, and we know that we can achieve whatever we put our minds to. We look after Anexia, and Anexia looks after us. Enthusiasm, experience, and competence count, so you can expect a fair salary and numerous benefits.

salary range

min. 50.000€

Our benefits

We are more than just a workplace. Therefore, we offer our employees many benefits (which partly depend on your position and location): good transport connections and flexible working hours. Period. Not to mention further training, a mentoring program, free parking, a mobile phone and notebook, snacks and drinks, company cars, employee events, a fun corner, ...
