+ BE YOURSELF – THAT'S HOW WE WANT YOU TO BE +

At Anexia, we take responsibility for all the **challenges of the digital world** – each and every day. That's because we see ourselves as the **"Digital Transformation Engine".** And how do we succeed in this mission? It's simple. We are a family of facilitators with innovative ideas. We're capable of, want to, and allowed to make things happen. That's what makes us so unique! Do you want to be a part of our digital revolution and make history with us? **#joinourrevolution**

FULL STACK DEVELOPER (M/W/D)

Klagenfurt, Graz, Vienna | full time

You are creative, a team player and enjoy finding solutions and complex tasks. As part of the development team in the marketing department of our brand netcup, this position is the perfect fit for you.

#PROFILE

- Development of our company websites and various tools that represent the company externally
- Development of internal systems (e.g., categorization of customer inquiries, automatic evaluation of the profitability of advertising expenditures)
- Development of modern APIs based on PHP frameworks and JavaScript front-end frameworks (e.g., VueJS, NuxtJS) to create web applications
- Development of games (e.g., VR) for trade fairs and presentations

#WANTED

- Completed education or equivalent professional experience
- Routine experience with JS frameworks (Vue, NuxtJS)
- Experience in development according to the ECMAScript JavaScript standard (min. ES6)
- General understanding of various systems such as Docker, Linux, web servers (Nginx & Apache) desirable
- Typescript knowledge desirable
- Experience with PHP frameworks, especially Laravel
- Experience in game programming is an advantage
- Very good written and spoken German and English skills

#REWARD

Anexia grew up as a family, and with our growth strategy, we intend to keep it that way. We like to take responsibility, respect one another, and we know that we can achieve whatever we put our minds to. We look after Anexia, and Anexia looks after us. Enthusiasm, experience, and competence count, so you can expect a fair salary and numerous benefits.

salary range

min. 44.450€

Our benefits

We are more than just a workplace. Therefore, we offer our employees many benefits (which partly depend on your position and location): good transport connections and flexible working hours. Period. Not to mention further training, a mentoring program, free parking, a mobile phone and notebook for, snacks and drinks, company cars, employee events, a fun corner, ...
