

+ BE YOURSELF – BECAUSE THAT’S HOW WE WANT YOU TO +

At Anexia, we take responsibility for all the **challenges of the digital world** – each and every day. That’s because we see ourselves as the **“Digital Transformation Engine”**. And how do we succeed in this mission? It’s simple. We are a family of facilitators with innovative ideas. We’re capable of, want to, and allowed to make things happen. That’s what makes us so unique! Do you want to be a part of our digital revolution and make history with us? **#joinourrevolution**

SENIOR LINUX SYSTEM ADMINISTRATOR – WEBHOSTING (M/W/D)

Karlsruhe | full time

Your work will enhance the web hosting platforms of netcup and Anexia, powering hundreds of thousands of domains. You’re not afraid of direct customer contact, you’re a Linux expert, and you want to help shape the future of our web hosting environments? Perfect! You can work fully remotely in this role or come to the office at any of our listed locations as often as you like. Sounds good? Then we’d love to hear from you!

#PROFILE

- Operation, installation, configuration, and maintenance of Linux- and Plesk-based web hosting systems for netcup and Anexia
- Further development and optimization of the hosting platforms (stability, security, performance)
- Implementation of improvements to enhance the customer experience
- Close collaboration with colleagues and clients, with an indirect impact on services used by tens of thousands of users
- Support in incident management: troubleshooting, resolution, and sustainable prevention
- Participation in feature rollouts and platform enhancements
- Technical handling of incoming customer requests (focus on web hosting, primarily written communication)

#WANTED

- Completed education or relevant professional experience in a comparable IT-focused position
- Expert-level Linux skills (preferably Debian / Ubuntu or related derivatives)
- Experience with Plesk, particularly in combination with automation tools (e.g., CLI tools, API)
- Proficiency in scripting languages (Bash, Python) and automation frameworks (Ansible)
- Excellent troubleshooting, documentation, and analytical skills
- Systematic and analytical mindset with an independent work style
- Strong teamwork skills and a high level of customer and service orientation
- Excellent German and good English skills

#REWARD

Anexia grew up as a family, and with our growth strategy, we intend to keep it that way. We like to take responsibility, respect one another, and we know that we can achieve whatever we put our minds to. We look after Anexia, and Anexia looks after us. Enthusiasm, experience, and competence count, so you can expect a fair salary and numerous benefits.

salary range

min. 42.000€

Our benefits

We are more than just a workplace. Therefore, we offer our employees many benefits (which partly depend on your

position and location): good transport connections and flexible working hours. Period. Not to mention further training, a mentoring program, free parking, a mobile phone and notebook, snacks and drinks, company cars, employee events, a fun corner, ...
