

+ BE YOURSELF – BECAUSE THAT’S HOW WE WANT YOU TO +

At Anexia, we take responsibility for all the **challenges of the digital world** – each and every day. That’s because we see ourselves as the **“Digital Transformation Engine”**. And how do we succeed in this mission? It’s simple. We are a family of facilitators with innovative ideas. We’re capable of, want to, and allowed to make things happen. That’s what makes us so unique! Do you want to be a part of our digital revolution and make history with us? **#joinourrevolution**

IT-TECHNIKER IM RECHENZENTRUMSBETRIEB (M/W/D)

Vienna | full time

You are a problem-solver, sticking to challenges and convincing with your independent work style and a high willingness to learn. Structured cabling and efficient rack design are in your blood, and you have a good understanding of critical infrastructures and their interconnections, which you bring to the projects.

#PROFILE

- Operation of our own data center DATASIX together with a team of 5
- Installations, deinstallations, and relocation of IT hardware as well as extensive maintenance work
- On-site fault analysis and troubleshooting in our data centers, as well as administration and operational activities of data center components
- Design, implementation, further development, and securing of data center operations
- Management of structured cabling systems including planning, documentation, and implementation

#WANTED

- Experience in data center operations
- Knowledge of data center technology, especially structured cabling (fiber optics, copper, power)
- Knowledge in one of these areas: refrigeration/air conditioning technology, ventilation, electrical engineering (batteries, UPS, diesel generators, NSHV) as well as management systems for these areas is advantageous
- Basic knowledge of IT infrastructure (servers, networks)
- Team player and high sense of responsibility
- Accurate and service-oriented work style
- Very good German and good English skills in speaking and writing

#REWARD

Anexia grew up as a family, and with our growth strategy, we intend to keep it that way. We like to take responsibility, respect one another, and we know that we can achieve whatever we put our minds to. We look after Anexia, and Anexia looks after us. Enthusiasm, experience, and competence count, so you can expect a fair salary and numerous benefits.

salary range

Our benefits

We are more than just a workplace. Therefore, we offer our employees many benefits (which partly depend on your position and location): good transport connections and flexible working hours. Period. Not to mention further training, a mentoring program, free parking, a mobile phone and notebook, snacks and drinks, company cars, employee events, a fun corner, ...
