

+ BE YOURSELF – BECAUSE THAT’S HOW WE WANT YOU TO +

At Anexia, we take responsibility for all the **challenges of the digital world** – each and every day. That’s because we see ourselves as the **“Digital Transformation Engine”**. And how do we succeed in this mission? It’s simple. We are a family of facilitators with innovative ideas. We’re capable of, want to, and allowed to make things happen. That’s what makes us so unique! Do you want to be a part of our digital revolution and make history with us? **#joinourrevolution**

PYTHON ENGINEER - PRODUCT DEVELOPMENT (M/W/D)

Vienna, Klagenfurt, Remote | full time

Are you enthusiastic about complex technical systems, networked infrastructures, and modern cloud technologies? Do you like to think in terms of end-to-end solutions and have a high level of technical excellence? Then join us in shaping the future of our cloud platform—with plenty of creative freedom and exciting technical challenges.

#PROFILE

- Establishment and further development of a modern cloud platform
- Development of new cloud infrastructure products
- Working on design, development, and scaling
- Close collaboration with product managers, UI/UX developers and software architects, DevOps engineers, and other developers
- Implementation of solutions for complex problems and challenges
- Code reviews and ensuring the performance, security, and maintainability of all components

#WANTED

- Completed technical education/degree in IT and several years of experience in software development with Python
- DevOps KnowHow
- Understanding agile development workflows based on Git
- Knowledge of container technologies such as Docker and Podman
- Knowledge of Kubernetes and Go is an advantage
- Structured and independent working style, as well as willingness to learn and implement new technologies and concepts
- Excellent German skills and very good written and spoken English skills

#REWARD

Anexia grew up as a family, and with our growth strategy, we intend to keep it that way. We like to take responsibility, respect one another, and we know that we can achieve whatever we put our minds to. We look after Anexia, and Anexia looks after us. Enthusiasm, experience, and competence count, so you can expect a fair salary and numerous benefits.

salary range

min. 54.000€

Our benefits

We are more than just a workplace. Therefore, we offer our employees many benefits (which partly depend on your position and location): good transport connections and flexible working hours. Period. Not to mention further training, a mentoring program, free parking, a mobile phone and notebook, snacks and drinks, company cars, employee events, a fun corner, ...
