

+ BE YOURSELF – BECAUSE THAT’S HOW WE WANT YOU TO +

At Anexia, we take responsibility for all the **challenges of the digital world** – each and every day. That’s because we see ourselves as the **“Digital Transformation Engine”**. And how do we succeed in this mission? It’s simple. We are a family of facilitators with innovative ideas. We’re capable of, want to, and allowed to make things happen. That’s what makes us so unique! Do you want to be a part of our digital revolution and make history with us? **#joinourrevolution**

SOFTWARE ENGINEER (GO / RUST) (M/W/D)

Klagenfurt, Vienna, Graz, Karlsruhe, Nuernberg, Remote | full time

You think outside the box and bring **passion and enthusiasm for new technologies** and trends. You see complex problems as a challenge and enjoy working on solutions. You love to see how your software helps to make things even faster, simpler and easier to use. Then Anexia is the right place for you.

#PROFILE

In this challenging position, you will work together with your team on the preparation and coordination of different services and data sources as well as the provision of this data. Your main tasks will involve the **development of APIs** for different data sources and **CLI tools** for automatic processing. **Setting up microservice architecture** and connecting existing services are also part of your responsibilities.

#WANTED

- Completed technical education (HTL, university, FH) or comparable education with relevant professional experience
- Experience with the programming language **"Go" and/or "Rust"**
- Experience in the development of REST APIs (client and server) and CLI tooling
- Routine in dealing with SQL, NoSQL
- Knowledge C, C# or Java is an advantage
- A general understanding of the interaction between network, server applications and distributed systems
- Systematic and analytical thinking as well as **solution-oriented work**
- Very good knowledge of German or English

#REWARD

Anexia grew up as a family, and with our growth strategy, we intend to keep it that way. We like to take responsibility, respect one another, and we know that we can achieve whatever we put our minds to. We look after Anexia, and Anexia looks after us. Enthusiasm, experience, and competence count, so you can expect a fair salary and numerous benefits.

salary range

Our benefits

We are more than just a workplace. Therefore, we offer our employees many benefits (which partly depend on your position and location): good transport connections and flexible working hours. Period. Not to mention further training, a mentoring program, free parking, a mobile phone and notebook, snacks and drinks, company cars, employee events, a fun corner, ...
