

+ BE YOURSELF – BECAUSE THAT’S HOW WE WANT YOU TO +

At Anexia, we take responsibility for all the **challenges of the digital world** – each and every day. That’s because we see ourselves as the **“Digital Transformation Engine”**. And how do we succeed in this mission? It’s simple. We are a family of facilitators with innovative ideas. We’re capable of, want to, and allowed to make things happen. That’s what makes us so unique! Do you want to be a part of our digital revolution and make history with us? **#joinourrevolution**

JAVA ENGINEER - VIRTUALIZATION (M/W/D)

Wien, Graz, Klagenfurt, Karlsruhe, Remote | full time

You are passionate about clean code? Your heart is in software development and optimization, and you love tackling technical challenges? Then Anexia is the right place for you!

#PROFILE

- Design and implementation of APIs to represent technically complex workflows
- Further development of the Anexia Virtualization Stack based on KVM
- Design and implementation of new features in close collaboration with internal stakeholders
- Analyze and resolve issues to ensure stable system operations
- Development of features to improve cloud infrastructure (e.g., automatic load balancing and failover mechanisms)
- Conduct code reviews and ensure performance and maintainability of all components
- Further development and maintenance of CI/CD pipelines
- Automation of software deployments to a large number of globally distributed systems

#WANTED

- Completed technical training or degree in IT
- Several years of experience in software development with Java
- Strong knowledge of virtualization, especially with KVM
- Experience with API design and implementation
- Familiarity with code review processes and best practices in software development
- Structured and independent work style, with the willingness to learn and apply new technologies and concepts
- Excellent German language skills and very good English skills, both spoken and written

#REWARD

Anexia grew up as a family, and with our growth strategy, we intend to keep it that way. We like to take responsibility, respect one another, and we know that we can achieve whatever we put our minds to. We look after Anexia, and Anexia looks after us. Enthusiasm, experience, and competence count, so you can expect a fair salary and numerous benefits.

salary range

Our benefits

We are more than just a workplace. Therefore, we offer our employees many benefits (which partly depend on your position and location): good transport connections and flexible working hours. Period. Not to mention further training, a mentoring program, free parking, a mobile phone and notebook, snacks and drinks, company cars, employee events, a fun corner, ...
