That’s what makes us so unique! Do you want to be a part of our digital revolution and make history with us? **#joinourrevolution**

PROCUREMENT SPECIALIST – IT INFRASTRUCTURE (M/W/D)

Klagenfurt, Vienna, Graz | full time

At Anexia, we operate a global infrastructure spanning more than 100 server locations across 70 countries. As part of our procurement team, you will take ownership of sourcing our worldwide datacenter and connectivity infrastructure — from power and colocation to IP transit, internet exchanges, wavelengths, and dark fibre.

#PROFILE

- End-to-end contract management for global IT infrastructure — from negotiation through to ongoing maintenance
- Sourcing activities including market evaluation and identification of new suppliers in the areas of datacenter/colocation and connectivity services
- Building and maintaining strong supplier relationships, including price negotiations with international partners and service providers
- Invoice verification and approval, along with structured reporting to internal stakeholders
- Preparation of well-founded decision papers and analyses for management
- Thorough documentation of all procurement-related processes and activities

#WANTED

- Several years of experience in IT procurement, ideally with a focus on at least one of the following: datacenter/colocation or connectivity services
- Solid technical understanding of how a datacenter is built and what lies behind the services you procure
- Strong negotiation skills combined with a high degree of accuracy and reliability
- Independent, structured working style and the drive to take ownership and move things forward
- Willingness to travel occasionally for team or industry events
- Excellent command of German and English, both written and spoken

#REWARD

Anexia grew up as a family, and with our growth strategy, we intend to keep it that way. We like to take responsibility, respect one another, and we know that we can achieve whatever we put our minds to. We look after Anexia, and Anexia looks after us. Enthusiasm, experience, and competence count, so you can expect a fair salary and numerous benefits.
