

+ BE YOURSELF – BECAUSE THAT’S HOW WE WANT YOU TO +

At Anexia, we take responsibility for all the **challenges of the digital world** – each and every day. That’s because we see ourselves as the **“Digital Transformation Engine”**. And how do we succeed in this mission? It’s simple. We are a family of facilitators with innovative ideas. We’re capable of, want to, and allowed to make things happen. That’s what makes us so unique! Do you want to be a part of our digital revolution and make history with us? **#joinourrevolution**

SERVICE ENGINEER – R&D (M/W/D)

Wien, Graz, Klagenfurt, Karlsruhe, Remote | full time

Do you enjoy working on innovative solutions and have fun making complex systems more efficient, faster, and more robust? Are you excited about new technologies and want to do more than just implement features with your code, but truly make an impact? Then join us in shaping the future of cloud technology at Anexia!

#PROFILE

- Further development of Anexia Cloud Services with a focus on scalability, performance, and digital sovereignty
- Implementation of new features in close collaboration with internal stakeholders
- Analyze, identify, and resolve issues to ensure stable operations
- Ensure the maintainability and performance of all components
- Conduct code reviews to ensure quality
- Further development and optimization of Continuous Integration pipelines
- Automation of software deployments for a globally distributed infrastructure
- Design and implementation of high-performance APIs

#WANTED

- Completed technical training or degree in IT
- Strong knowledge of Python or Go
- Experience in the development and maintenance of cloud services
- Knowledge of API design and development of scalable services
- Structured and independent work style, with the willingness to learn and apply new technologies and concepts
- Excellent German language skills and very good English skills, both spoken and written

#REWARD

Anexia grew up as a family, and with our growth strategy, we intend to keep it that way. We like to take responsibility, respect one another, and we know that we can achieve whatever we put our minds to. We look after Anexia, and Anexia looks after us. Enthusiasm, experience, and competence count, so you can expect a fair salary and numerous benefits.

salary range

min. 54.000€

Our benefits

We are more than just a workplace. Therefore, we offer our employees many benefits (which partly depend on your position and location): good transport connections and flexible working hours. Period. Not to mention further training, a mentoring program, free parking, a mobile phone and notebook, snacks and drinks, company cars, employee events, a fun corner, ...
