

+ BE YOURSELF – BECAUSE THAT’S HOW WE WANT YOU TO +

At Anexia, we take responsibility for all the **challenges of the digital world** – each and every day. That’s because we see ourselves as the **“Digital Transformation Engine”**. And how do we succeed in this mission? It’s simple. We are a family of facilitators with innovative ideas. We’re capable of, want to, and allowed to make things happen. That’s what makes us so unique! Do you want to be a part of our digital revolution and make history with us? **#joinourrevolution**

SOFTWARE DEVELOPER (GO / RUST) (M/W/D)

Klagenfurt, Vienna, Graz, Karlsruhe, Nuernberg, Remote | full time

You are enthusiastic about modern technologies and enjoy turning complex technical tasks into clear, efficient solutions. Whether it's data processing, APIs, frontend tools, or microservices, you think systemically and work with precision. If you're motivated by optimizing systems and developing high-quality software, you're exactly the right fit for us.

#PROFILE

- Development of CLI tools for automated data processing
- Development of APIs for various data sources
- Backend and frontend development
- Building microservice architectures and integrating existing services
- Conducting code reviews to ensure high software quality
- Deployment and hosting of our services on a Linux host

#WANTED

- Completed technical education (HTL, university, FH) or comparable education with relevant professional experience
- Profound experience with the programming language **"Go" and/or "Rust"**
- Several years of experience in the development of REST APIs (client and server) and CLI tooling
- Routine in dealing with SQL, NoSQL
- Knowledge of TypeScript and JavaScript Frameworks
- A general understanding of the interaction between network, server applications and distributed systems
- Systematic and analytical thinking as well as **solution-oriented work**
- Very good knowledge of German or English

#REWARD

Anexia grew up as a family, and with our growth strategy, we intend to keep it that way. We like to take responsibility, respect one another, and we know that we can achieve whatever we put our minds to. We look after Anexia, and Anexia looks after us. Enthusiasm, experience, and competence count, so you can expect a fair salary and numerous benefits.

salary range

Our benefits

We are more than just a workplace. Therefore, we offer our employees many benefits (which partly depend on your position and location): good transport connections and flexible working hours. Period. Not to mention further training, a mentoring program, free parking, a mobile phone and notebook, snacks and drinks, company cars, employee events, a fun corner, ...
