

+ BE YOURSELF – BECAUSE THAT’S HOW WE WANT YOU TO +

At Anexia, we take responsibility for all the **challenges of the digital world** – each and every day. That’s because we see ourselves as the **“Digital Transformation Engine”**. And how do we succeed in this mission? It’s simple. We are a family of facilitators with innovative ideas. We’re capable of, want to, and allowed to make things happen. That’s what makes us so unique! Do you want to be a part of our digital revolution and make history with us? **#joinourrevolution**

HEAD OF SYSTEM OPERATIONS (M/W/D)

Karlsruhe | full time

As Head of System Operations, you play a key role in the operation and further development of our IT system infrastructure. In this position, you will bring your technical experience, disciplinary leadership responsibility and strategic foresight together to make our systems stable, secure and future-proof. As an experienced manager, you will always try to set clear goals, support and develop employees, resolve conflicts, make decisions and take responsibility.

#PROFILE

- You take responsibility for the operation of the server infrastructure of our brand netcup
- You will lead and develop a team of 20 System Engineers in close collaboration with the Team Lead, promoting an open, solution-oriented, and collaborative team culture
- You will coordinate various teams between Third Level Support, on-call teams, and internal systems
- You will ensure sufficient hardware supply at our various global locations
- With your hands-on mentality, you support your department with incidents to solve the problem at the cause
- You will coordinate changes and help your teams become more efficient

- You will translate the strategic company goals for your area and develop the appropriate strategy for your team.
 - You will rethink and continuously optimize the existing operational processes
-

#WANTED

- Completed education in computer science or a comparable technical field
 - Several years of experience in system engineering and leadership skills with experience in leading technical teams (professionally and disciplinarily)
 - In-depth knowledge in system architectures, cloud technologies, or similar areas
 - Strategic and analytical thinking as well as strong communication skills and persuasiveness
 - High problem-solving competence and hands-on mentality
 - Fluent in German and English
-

#REWARD

Anexia grew up as a family, and with our growth strategy, we intend to keep it that way. We like to take responsibility, respect one another, and we know that we can achieve whatever we put our minds to. We look after Anexia, and Anexia looks after us. Enthusiasm, experience, and competence count, so you can expect a fair salary and numerous benefits.

salary range

min. 72.000€

Our benefits

We are more than just a workplace. Therefore, we offer our employees many benefits (which partly depend on your position and location): good transport connections and flexible working hours. Period. Not to mention further training, a mentoring program, free parking, a mobile phone and notebook, snacks and drinks, company cars, employee events, a fun corner, ...
