

At Anexia, we take responsibility for all the **challenges of the digital world** – each and every day. That’s because we see ourselves as the **“Digital Transformation Engine”**. And how do we succeed in this mission? It’s simple. We are a family of facilitators with innovative ideas. We’re capable of, want to, and allowed to make things happen. That’s what makes us so unique! Do you want to be a part of our digital revolution and make history with us? **#joinourrevolution**

CLOUD PLATFORM ENGINEER (M/W/D)

Vienna, Klagenfurt, Graz, Karlsruhe, Remote | full time

You are passionate about developing high-quality services using modern and agile methods. "Shape the future" is not just a slogan for you, you have the ambition to be at the forefront of technology and to always be striving for the best solution. If so, then you've come to the right place.

#PROFILE

Developing a scaling globally distributed Kubernetes platform, with a focus on stability and automation. Whether as a DevOps Engineer or SRE, with your participation we will reach the next level. The focus is on agile, independent work. In short: “the next big thing”

#WANTED

- Completed education or work experience in a comparable position
- Very strong interest in learning new technologies
- Experience in working with Terraform
- Experience with container technologies
- Programming in Go is an advantage
- Experience as SRE
- Team player
- Very good knowledge of English, (knowledge of German is an advantage)

#REWARD

Anexia grew up as a family, and with our growth strategy, we intend to keep it that way. We like to take responsibility, respect one another, and we know that we can achieve whatever we put our minds to. We look after Anexia, and Anexia looks after us. Enthusiasm, experience, and competence count, so you can expect a fair salary and numerous benefits.

salary range

min. 49.000€

Our benefits

We are more than just a workplace. Therefore, we offer our employees many benefits (which partly depend on your position and location): good transport connections and flexible working hours. Period. Not to mention further training, a mentoring program, free parking, a mobile phone and notebook, snacks and drinks, company cars, employee events, a fun corner, ...
