

+ BE YOURSELF – BECAUSE THAT’S HOW WE WANT YOU TO +

At Anexia, we take responsibility for all the **challenges of the digital world** – each and every day. That’s because we see ourselves as the **“Digital Transformation Engine”**. And how do we succeed in this mission? It’s simple. We are a family of facilitators with innovative ideas. We’re capable of, want to, and allowed to make things happen. That’s what makes us so unique! Do you want to be a part of our digital revolution and make history with us? **#joinourrevolution**

SOFTWARE ENGINEER TYPESCRIPT (M/W/D)

Vienna, Klagenfurt, Remote | full time

As a TypeScript Software Engineer at Anexia, you will be responsible for further developing the runtime (rulesets) of the internal automation tool. You are a team player with a high level of quality awareness and impress with your independent, goal-oriented, and self-reliant way of working.

#PROFILE

- Development of the “internal automation system - TypeScript frameworks” and libraries (clients for different systems, frameworks for alerting, etc.)
- Development of applications, automations, and integrations in the internal automation system
- Development of user interfaces for internal tooling
- Development of a user interface library based on Svelte 5 as a common foundation for internal tooling
- Designing purposeful user interfaces for internal tooling
- Monitoring new developments, patterns, and advances in Java/TypeScript and front-end development

#WANTED

- Completed technical education (HTL, university, FH) or equivalent education with relevant professional experience
- Excellent knowledge of Java/TypeScript
- Familiarity with Linux-based servers and web servers
- Familiarity with web technologies and the fundamentals of the TCP/IP stack
- Experience working with Git and Linux CLI
- Team player, Independent and structured way of working, analytical thinking, and high service orientation
- Very good communication skills in German and English, written and spoken

#REWARD

Anexia grew up as a family, and with our growth strategy, we intend to keep it that way. We like to take responsibility, respect one another, and we know that we can achieve whatever we put our minds to. We look after Anexia, and Anexia looks after us. Enthusiasm, experience, and competence count, so you can expect a fair salary and numerous benefits.

salary range

Our benefits

We are more than just a workplace. Therefore, we offer our employees many benefits (which partly depend on your position and location): good transport connections and flexible working hours. Period. Not to mention further training, a mentoring program, free parking, a mobile phone and notebook, snacks and drinks, company cars, employee events, a fun corner, ...
