

+ BE YOURSELF – BECAUSE THAT’S HOW WE WANT YOU TO +

At Anexia, we take responsibility for all the **challenges of the digital world** – each and every day. That’s because we see ourselves as the **“Digital Transformation Engine”**. And how do we succeed in this mission? It’s simple. We are a family of facilitators with innovative ideas. We’re capable of, want to, and allowed to make things happen. That’s what makes us so unique! Do you want to be a part of our digital revolution and make history with us? **#joinourrevolution**

DATA ENGINEER (M/W/D)

Klagenfurt, Graz | full time

You work in a structured and independent manner and enjoy automating processes? You are a communicative team player and like to contribute your own ideas? Then this position is perfect for you!

#PROFILE

- You will drive forward the automation of our processes, develop ETL/ELT pipelines, and integrate AI-supported workflows
- Your tasks will range from data preparation and database modeling to the implementation and deployment of applications
- You work closely with management and enjoy presenting and continuously developing your solutions

#WANTED

- Several years of solid experience with version control systems, CI/CD tools, orchestration, and containerization
- Several years of experience with scripting languages such as Python
- Proficiency with APIs, SQL, and databases
- Experience with process automation and database modeling
- Understanding of the interaction between networks, server services, and operating systems
- Experience with generative AI, LLMs, RAG, or AI agents is an advantage
- Willingness to travel (regular team meetings at our office in Klagenfurt)
- Very good written and spoken German and English skills

#REWARD

Anexia grew up as a family, and with our growth strategy, we intend to keep it that way. We like to take responsibility, respect one another, and we know that we can achieve whatever we put our minds to. We look after Anexia, and Anexia looks after us. Enthusiasm, experience, and competence count, so you can expect a fair salary and numerous benefits.

salary range

Our benefits

We are more than just a workplace. Therefore, we offer our employees many benefits (which partly depend on your position and location): good transport connections and flexible working hours. Period. Not to mention further training, a mentoring program, free parking, a mobile phone and notebook, snacks and drinks, company cars, employee events, a fun corner, ...
