- Documenting and preparing quality-related aspects from work processes, internal feedback, and customer feedback
- Inquiry-based collaboration with relevant internal interfaces
- Preparing technical information for internal distribution to support and specialist departments
- Designing, planning, and conducting training courses (or follow-up courses) with Moodle
- Preparing and presenting training content, including creating and adapting training materials
- Reviewing learning progress and using practical examples to apply knowledge

#WANTED

- Good technical knowledge in the areas of web hosting, domains, and vServer
- Experience in designing and conducting technical training courses or workshops
- Ability to convey technical content in a way that is tailored to the target audience, understandable, and practical
- Experience with training or e-learning tools (e.g., Moodle)
- Patient, structured, and quality-oriented approach to work with a high degree of personal responsibility
- Experience with Atlassian solutions (Jira, Confluence) is an advantage
- Creativity and adaptability in the design and implementation of training content
- Very good written and spoken German and English skills

#REWARD

Anexia grew up as a family, and with our growth strategy, we intend to keep it that way. We like to take responsibility, respect one another, and we know that we can achieve whatever we put our minds to. We look after Anexia, and Anexia looks after us. Enthusiasm, experience, and competence count, so you can expect a fair salary and numerous benefits.

mind. 44.170€

A horizontal bar representing a salary range. The bar is divided into three segments: a light green segment on the left, a darker green segment in the middle, and a very light green segment on the right. A vertical line is positioned at the end of the light green segment, corresponding to the minimum salary value.

Our benefits

We are more than just a workplace. Therefore, we offer our employees many benefits (which partly depend on your position and location): good transport connections and flexible working hours. Period. Not to mention further training, a mentoring program, free parking, a mobile phone and notebook, snacks and drinks, company cars, employee events, a fun corner, ...
